25X1	-15-	Comment. The sections of the VP Lain Administration, Air, which reportedly	
20/(1	,	moved from Ferlin-Johannisthal to Kamenz probably was the Hq of the 1st VP Air Div,	
25X1	茶件	which is believed to have been activated in that main administration. Comment. The data on the organization of the 1st VP Air Div agrees with	
		previous information. It is believed that the regiments of this division officially still consist of companies, in accordance with the organizational set-up of VP	
		schools. It is probable that a radar section is attached to the division head-	
25X1	****	quarters because pilots must be trained with radar equipment. Connect. It is believed that the officers earmarked for assignments in the	
		regiments of the VP air division are temporarily assigned to the VP Lain Administration, Air, before being sent to their regiment.
